[RUSH] MESSAGE: ① Original claims 81-83 are listed on Index of claims as final claims 26-28, but claim set does not contain claims 81-83 it is listed as withdrawn. See comp. B 07-26-04

② Figs. 3-4, 7, 15-16, 19-22, 24 and 27 has handwritten corrections.

③ Original claim 61 now 45 ends incomplete.

[XRUSH] RESPONSE:

1) Although Applicant's claim set list claims 81-83 as withdrawn, claims 81-83 are allowed because these claims depend on allowed claim 81. Please see claims 81-83 in the amendment filed on February 7, 2002.

2) The instant application was converted from paper to IFW. The old practice required the examiner to write "Approved" in the drawing correction for approval on 1/8/01. The draftsman should have required Applicant to submit a new set of drawings according to new rules.

3) Applicant inadvertently omitted the period at the end of claim 65. Please put the period at the end of claim 65.

INITIALS: VL

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
